

Stefan Nestorovski

Electrical Engineering

University of Waterloo (647) 772 – 8218

snestoro@edu.uwaterloo.ca

SUMMARY OF QUALIFICATIONS:

- 3 years of experience in Java, an adept understanding of C++, HTML, CSS, JavaScript, and a basic understanding of SQL, assembly, VHDL, and R
- Capable of quickly learning concepts, applying them, and teaching them to others
- Works well with teams, easy to talk to, and always willing to help others
- Never late to work, always ready to work, and does not miss deadlines

RELEVANT PROJECTS:

- Developed an understanding of circuits, power tools, and structural design through home projects:
 - Replaced a garage door and implemented an automatic door opener
 - Renovated a shower that required a complete replacement of the existing wiring and piping
 - Fixed an electric lawn mower with a faulty rectifier
- Produced a simple card game (war) for school final project in Java that received a perfect mark

EDUCATION:

Candidate for a Bachelor of Applied Science in Electrical Engineering, University of Waterloo, Sept/2016 – Present

- Relevant courses currently taking include:
 - Digital circuits (Work with microcontrollers and FPGA)
 - Engineering Design with Embedded System (Android development)

High School Diploma, Erindale Secondary School, Mississauga, Ontario, September/2012 – June/2016

- Achieved honour roll every year, 2012-2015
- Numerous awards in science, math, and music

EXPERIENCE:

Systems Integrator, Manulife, Waterloo, Ontario, January/2017 – April/2017

- Deployed code onto numerous servers that ranged from testing to production
- Participated in a co-op challenge geared towards innovation and presented idea to over 40 Manulife executives
- Created a website used to track time for a team of 20 people across Waterloo and Montreal
- Developed important communication and technical skills, worked with Unix and servers, gained an understanding of the fundamentals of DevOps

Stock Clerk, Food Basics, Mississauga, Ontario, June/2016 – August/2016

- Gained recognition by the store manager for efficiency, enthusiasm, and independence in the workplace
- Learned to use a pallet truck
